

FOREST PARK FLAPPER GHOST CASKET RACE RULES OCTOBER 19, 2024

- 1. Each participating team shall provide a casket conforming to the specifications.** Race officials will inspect all caskets before race time. It will be up to discretion of race officials to determine the safety of all Caskets and if any potential deviation from specifications will disqualify the Casket from entering the race, or whether penalties will automatically be added to the team's race time. Any questions or disagreements will be forwarded to an event official.
- 2. All participants must be 18 years of age or older, including the rider.**
- 3. Each participating team shall provide four runners to propel the casket.** At least three of the four runners must be in direct contact with the casket at all times during the race until the casket has come to a complete stop. Any casket that has less than three runners in direct contact with the casket during the race will be deemed 'out of control' and will be immediately disqualified. Changing runners or drivers during or between a heat is prohibited. In case of injury, a race official shall be the authority to allow a substitute.
- 4. During the race, runners will keep their casket in their own lane.** Runners and/or caskets interfering with another runner/and or casket as a result of leaving their lane (crossing the yellow line) will be immediately disqualified. You may touch the yellow line with your feet or casket but your casket can not cross over the yellow line.
- 5. Each participating team shall have one 'Ghost' to ride in their casket. All 'Ghosts' must wear a helmet during the race.** Runners are encouraged to wear protective gear as well.
- 6. Each participant (runners and 'Ghost') shall sign a Hold Harmless agreement (an agreement that holds the Forest Park Chamber of Commerce and the Village of Forest Park harmless for any accidents or injuries)** on the day of the race. Forms will be available during registration.
- 7. All caskets, runner and 'Ghosts' must be in the staging area by 9 a.m. to compete.** Judging of caskets, runners and 'Ghosts' will take place 30 minutes prior to the first race. The first race begins at 10 a.m.
- 8. A driver's meeting will be held for all contestants immediately following the judging. Attendance is mandatory for at least one runner from each team.**
- 9. Protests can only be made by the race competitors.** Protests must be directed to a race official within 10 minutes of the completion of the heat in question. Protests must be logical, reasonable and based on sound evidence. **Decisions of the race officials will be final.**
- 10. Each heat will be run with two caskets.** The casket crossing the finish line first will be designated the winner of that heat. (Race format subject to change.)
- 11. The caskets with the four fastest times from the qualifying heats will run 2 final heats to determine the 1st, 2nd and 3rd place winners.** The 3rd and 4th fastest teams and the 1st and 2nd fastest teams will race against each other in the final races. (Race format subject to change.)
- 12. Every entrant and participant must conduct themselves according to the highest standards of behavior and sportsmanship. No outside alcohol will be allowed on the premises.**
- 13. Each race is approximately 585 feet (195 yards).**
